**Sub: Proposal for Implementation of Employability Skills Training Programme for final year passing out Graduate Female Students under Mahindra & Mahindra's CSR initiative "Mahindra Pride Classroom" on Offline Platform.**

Dear Sir/Ma'am,

**Greetings from Naandi Foundation's Mahindra Pride Classrooms!**

**Mahindra Pride Classroom** is a flagship Corporate Social Responsibility (CSR) Livelihood programme of the Mahindra and Mahindra group and is fully implemented by Naandi Foundation, a Public Charitable Trust incorporated under the Indian Trusts Act, having its registered office in Hyderabad.

Mahindra Pride Classroom's vision is "To mainstream socially and economically disadvantaged female youth, through the process of skill-development training, so as to make them employable in the various sector".

The Mahindra Pride team strongly believes that apart from academic education, Skill Development is also required for students when they step out into the professional world. It is imperative for young adults to be equipped with essential life skills and soft skills. While certain skills may be acquired through everyday experience at home, Classroom or College, they are not sufficient to adequately equip the youth in today's complex society.

**The Mahindra Pride Classroom aims to help students to:**

- Develop an identity and improve their self-esteem.
- Manage emotions and overcome obstacles.
- Build relationships and polish their interpersonal skills.
- Enhance and improve employability skills.
- Improve personal and professional effectiveness.
- Develop Problem Solving and Critical Thinking skills.

The life skills component of the training module has helped to transform the learners into confident, determined, goal-oriented – a personality shift essential for them to pursue successful careers in the sectors of their choice.

It has helped improve students' understanding of the world and their role and responsibility towards it. It has also enabled them in finding ways to cope with the challenges that life throws at them. These young adults who underwent our training, firmly believe that they will be able to live a more productive and fulfilling life.

**What does the Mahindra Pride Classroom programme consist of?**

- Life Skills - compassion, respect, gratitude, being a responsible global citizen,
- Soft Skills - grooming, body language, teamwork, time management, social manners, etc.

## CONCLUSION

The Career Counselling Cell has aimed to train young graduates for the job market, which demands confident, skilled, and easily adaptive individuals. Our focus has been to empower women more, as we have observed that women are restricted to the four walls of a domestic household. Our girls have gained confidence following programs such as Mahindra Pride Classroom. Besides all the candidates who enrolled in various skill development programs have benefitted greatly and observed a significant shift in their confidence level. The youth Employment Program, with TCS, has proved to be extremely fruitful, and with their extensive training program, our students have developed basic skills in management, computer, oration, etc. which will help them in their career advancements. Subject-specific counselling programs like that with Glenmark for Chemistry graduates have given them enough exposure regarding the scope of the subject, in addition, the program also offered a position to one of our students. Many of our students have been placed with the placement drive of Bajaj Finance and they are doing well in their respective fields.
