6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

The institute is committed to safeguarding the welfare of teaching and non-teaching staff. The institute encourages the faculty members of the institute to regularly participate in workshops, seminars and conferences. For attending such academic events 'on duty leave' is granted to them. The institute also takes timely measures to process documents and to form committees for the promotion of the teaching staff. The institute is committed towards the timely processing of relevant documents of the non-teaching staff also. Both the teaching and non-teaching staff of the institute get benefit from the GSLI policy. Apart from that, the institute takes quick steps for sanctioning loans for any staff from his/her accumulated PF balance, and also is sometimes given salary advance to facilitate the teaching and non-teaching staff of the college. Moreover, the institute has a welfare society named 'Krishna Chandra College Employees' Credit Co-operative Society Ltd.' from where the member staff can get personal loans whenever needed.
