Certificate of Students and Staff Activities for the Academic Year 2021-22

To Whom It May Concern,

This certificate acknowledges the activities undertaken by KRISHNA CHANDRA COLLEGE during the academic year 2021-22 amidst the challenges posed by the COVID-19 pandemic.

During this period, the college adapted its approach to student and staff engagement, shifting towards **blended modes** of interaction to ensure the safety and well-being of our college community. In compliance with health regulations and government directives, physical gatherings and events were suspended as a precautionary measure.

Although traditional extracurricular activities such as cultural programs, sports events, NCC, NSS and competitions were in blended mode, KRISHNA CHANDRA COLLEGE remained committed to fostering a conducive learning environment. Through virtual platforms and remote engagement initiatives, faculty members and student organizations collaborated to provide opportunities for academic enrichment and professional development (Blended Mode).

This decision was made with the paramount concern for the health and safety of our students, faculty, and staff, in alignment with public health guidelines.

We affirm our dedication to academic continuity and the well-being of our college community during these unprecedented times.

Sincerely,

Principal
Krishna Chandra College
