## Objective:

The college has collected feedback from the Alumni for the session 2022-23 for NAAC AQAR through online mode. The main objective of the feedback is to know various levels of satisfaction among the alumni based on the outcome of the course, its relevance from the perspective of job opportunities as well as overall development necessary for pursuing higher education. The feedback also focuses on collecting information about the facilities provided by the institution and valuable suggestions for further improvement in areas that need attention

## Methodology:

We have conducted the survey by circulating a google form (<https://forms.gle/eSeGArXVtHedMabd8>) among the alumni. We have received total 36 responses. The survey was tabulated using pie charts for further analysis and improvement. We have received the responses on a five-point scale ranging from 1 (poor) to 5 (excellent).
