## Objective:

The college has collected feedback from the Employers for the session 2020-21 for NAAC AQAR through online mode. The main objective of the feedback is to know various levels of satisfaction among employers based on initiatives taken by the institution to encourage students for skill development necessary at different levels as well as motivate them for their overall growth and performance.

## Methodology:

We have conducted the survey by circulating a google form (<https://forms.gle/bEvXR445dT28DFKk6>) among the employers for the current session. We have received 4 responses. The survey was tabulated using pie charts for further analysis and improvement. We have received the responses on a five-point scale ranging from 1(poor) to 5 (excellent).
