About the NSS

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides opportunity to the students of our college to take part in various government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service.

- NSS is a noble experiment in academic expansion.
- It encapsulates the spirit of voluntary work among the students and the teachers to sustain community interaction.
- It brings academic institutions closer to the society.
- It shows how to combine knowledge and action to achieve the desirable results leading to community development.

Brief History of NSS of Our College

National Service Scheme of this college was started in the month of November in 1973, as per the Bulletin of National Service Scheme, University of Burdwan, December, 1976. The NSS has been introduced in the college to promote national consciousness and to inculcate a sense of social responsibility, discipline among students. Since inception of the NSS at our college in the session 1973 – 1974, the huge number of students have volunteered to take part in various community service programmes. Now the NSS of this college has 2 units, each of which is headed by efficient Programme Officers who also happen to be faculty members of the institute, Mr. Mahananda Barman, Assistant Professor of the Department of English is the Programme Officer of Unit-I, NSS and Mr. Rashbihari Garai, State Aided College Teacher of Geography is the Programme Officer of Unit-II of NSS. The Programme Officers are dedicated towards instilling within the students the spirit of selfless service and arouse in them a sense of social and civic responsibility. To conduct such activities a separate room is allotted to them. There is a Advisory committee of NSS under chairmanship of our Principal. Each unit of this college adopts a nearby village where the student volunteers work and attend Special camps.

A maximum of 100 students (both boys and girls) can take part in one unit. Students take active part in various service oriented social activities inside as well outside the college campus under the able guidance of a programme officer. They organize camps yearly in rural areas making the living condition better for the inhabitants. They perform social service through literacy drive, cultural programmes, medical checkups, Blood-Collection camps; Environmental awareness and so on. They also celebrate different memorable and notable days. After performing 240 hours of social service in a span of 2 years the volunteers or Members are awarded N.S.S. certificate by the University of Burdwan.

Objectives of NSS

- The specific objective of our NSS units are to arouse the student's social consciousness and provide opportunity to them.

Programme	Date & Photos	Vanne	Supervisor	No. Of Volunteers	Objective & Outcome
Celebration of NSS Day : Mask & Sanitizer Distribution Programme	24.09.2020  	College adjacent Village: Hetampur	NSS Programme Officers: Mahananda Barman and Rasbihari Garai	15 - 20	“Not Me But You” defines the philosophy of NSS. The welfare of every individual is dependent on the welfare of society, hence, every volunteer must strive for the betterment of society. NSS Day is a celebration to commemorate the tireless efforts of each volunteer towards the welfare of one and all. On the occasion of NSS Day, Masks & Hand Sanitizers Distribution Programme was conducted to aware

the people of Hetampur village adjacent to our college about nature of coronavirus COVID-19. The virus has taken a heavy toll on the lives of every citizen especially those who belong from underprivileged sections of society, those who are poor and those who are homeless. The main objective of this programme was to create awareness and educate people about the current pandemic and the duties of the citizens which they have to abide by to ensure their safety, security and how it is important for them and the society at large. The urban populace is well versed with its duties and is well aware regarding the recent

				<p>trends along with the means to safeguarding their rights. But the villagers did not have that kind of information regarding covid 19. So the NSS Volunteers selected the village and its people to spread the awareness regarding coronavirus by distributing masks and hand sanitizers to them. Because we think that Masks and hand sanitizers are the basic resources and essentials required for the prevention of Covid-19 and its spread but unfortunately these sections do not have access to even those basic essentials. The reaction of the villagers was very encouraging and positive. They were thankful of the things distributed to them</p>
