The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides opportunity to the students of our college to take part in various government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service.

- NSS is a noble experiment in academic expansion.
- It encapsulates the spirit of voluntary work among the students and the teachers to sustain community interaction.
- It brings academic institutions closer to the society.

Brief History of NSS of Our College

National Service Scheme of this college was started in the month of November in 1973, as per the Bulletin of National Service Scheme, University of Burdwan, December, 1976. The NSS has been introduced in the college to promote national consciousness and to inculcate a sense of social responsibility, discipline among students. Since inception of the NSS at our college in the session 1973 – 1974, the huge number of students have volunteered to take part in various community service programmes. Now the NSS of this college has 2 units, each of which is headed by efficient Programme Officers who also happen to be faculty members of the institute, Mr. Mahananda Barman, Assistant Professor of the Department of English is the Programme Officer of Unit-I, NSS and Mr. Rashbihari Garai, State Aided College Teacher of Geography is the Programme Officer of Unit-II of NSS. The Programme Officers are dedicated towards instilling within the students the spirit of selfless service and arouse in them a sense of social and civic responsibility. To conduct such activities a separate room is allotted to them. There is a Advisory committee of NSS under chairmanship of our Principal. Each unit of this college adopts a nearby village where the student volunteers work and attend Special camps.

A maximum of 100 students (both boys and girls) can take part in one unit. Students take active part in various service oriented social activities inside as well outside the college campus under the able guidance of a programme officer. They organize camps yearly in rural areas making the living condition better for the inhabitants. They perform social service through literacy drive, cultural programmes, medical checkups, Blood-Collection camps; Environmental awareness and so on. They also celebrate different memorable and notable days. After performing 240 hours of social service in a span of 2 years the volunteers or Members are awarded N.S.S. certificate by the University of Burdwan.
