## About the NSS

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. It provides opportunity to the students of our college to take part in various government led community service activities and programmes. The sole aim of the NSS is to provide hands on experience to young students in delivering community service.

- NSS is a noble experiment in academic expansion.
- It encapsulates the spirit of voluntary work among the students and the teachers to sustain community interaction.
- It brings academic institutions closer to the society.
- It shows how to combine knowledge and action to achieve the desirable results leading to community development.

## Brief History of NSS of Our College

National Service Scheme of this college was started in the month of November in 1973, as per the Bulletin of National Service Scheme, University of Burdwan, December, 1976. The NSS has been introduced in the college to promote national consciousness and to inculcate a sense of social responsibility, discipline among students. Since inception of the NSS at our college in the session 1973 – 1974, the huge number of students have volunteered to take part in various community service programmes. Now the NSS of this college has 2 units, each of which is headed by efficient Programme Officers who also happen to be faculty members of the institute, Mr. Mahananda Barman , Assistant Professor of the Department of English is the Programme Officer of Unit-I, NSS and Mr. Nayem Aktar, State Aided College Teacher of English is the Programme Officer of Unit-II of NSS. The Programme Officers are dedicated towards instilling within the students the spirit of selfless service and arouse in them a sense of social and civic responsibility. To conduct such activities a separate room is allotted to them. There is a Advisory committee of NSS under chairmanship of our Principal. Each unit of this college adopts a nearby village where the student volunteers work and attend Special camps.

A maximum of 100 students (both boys and girls) can take part in one unit. Students take active part in various service oriented social activities inside as well outside the college campus under the able guidance of a programme officer. They organize camps yearly in rural areas making the living condition better for the inhabitants. They perform social service through literacy drive, cultural programmes, medical checkups, Blood-Collection camps; Environmental awareness and so on. They also celebrate different memorable and notable days. After performing 240 hours of social service in a span of 2 years the volunteers or Members are awarded N.S.S. certificate by the University of Burdwan.

### **Objectives of NSS**

- The specific objective of our NSS units are to arouse the student's social consciousness and provide opportunity to them.
- To work with and among the people of slum area as well as the urban areas.
- To encourage the NSS volunteers in non-violent and constructive social activities.
- To understand the community in which the volunteers work
- To understand themselves in relation to the community in which they live
- To identify the needs and problems of their community and involve themselves in the problem solving process.
- To develop among themselves a sense of social and civic responsibilities
- To utilize their knowledge in finding practical solution to individual and community problems
- To develop competence required for group living and sharing of responsibilities
- To gain skills in mobilizing the community participation
- To acquire the leadership qualities and democratic attitude
- To develop capacity to meet emergencies and natural disasters
- To practice national integration and social harmony

## **Motto of NSS**

The motto of NSS is “**NOT ME BUT YOU**”

This reflects the essence of democratic living

- Upholds the need for selfless service
- Appreciation of the other person’s point of view
- Also shows consideration for fellow human beings.

## **Programme Officers**

Now the NSS of this college has two units and two programme Officers:

1. Mr. Mahananda Barman, Assistant Professor, Department of English, is the Programme Officer of NSS Unit I.
2. Mr. Nayem Aktar, SACT-II, Department of English, is the Programme Officer of NSS Unit II.

## **NSS Activities**

Activities of NSS are divided into two major groups which are:

- Regular activities
- Special Camping activities

## **Regular Activities**

Students undertake various programmes in the college, in the adopted villages and urban slums during the weekends or after college hours, such as:

1. Cleanliness Drive on the College Campus
2. Celebration of the Birth and Death Anniversaries of the Leaders and Social Workers of repute and to conduct various activities like Debating Competitions, Essay writing Competitions etc.
3. Organizing various types of rallies in the Adopted villages/town for the purposes like Tree Plantation, AIDS Awareness, Literacy Awareness, and Collecting Funds for Social causes.

4. Providing the opportunities to the students to attend various District, University, State, National level camps.
5. Developing leadership qualities among the students during the activities and camps.
6. Organizing Blood Donation camps, cultural activities, Competitions and social activities in the adopted villages or in our college.

The key success to control dengue depends not only on services provided by health authorities but also on the awareness of the community about preventing practices and their health-seeking behavior. So every member of the community has an important role to help prevent dengue. To make awareness among volunteers how to prevent dengue, this dengue Awareness programme was organised.</p> <p>Dengue is a common mosquito borne viral infection. Severe dengue can cause serious illness and deaths among children. seeking the advice of a health professional for early diagnosis, covering, emptying and cleaning of domestic water storage containers on a weekly basis, disposing of solid waste properly and removing artificial man-made mosquito breeding sites (vehicle tyres, fruit cans, plastic bags) from the environment, drainage of water collection points around the house, and raising</p> |

NSS Volunteers come to know from this programme that raising awareness in this way, will result in a lower rate of breeding sites. It will also reduce cases of diseases caused by the mosquito. The collective actions of all the people in can make a real and impactful difference. There is no specific treatment for dengue. At the same time, early detection and proper care decreases deaths from dengue very significantly . About 60 Volunteers actively participated in this programme .Dr. Abhijit Sen had given a lecture on prevention of dengue. He had given advices how to prevent dengue in our areas. Stuentns also make Awareness regarding dengue prevention by cleaning drains and spreading bleaching powder there and talked to the villagers about the prevention of dengue. They also provided them information regarding how to control dengue in their village.</p> |

medical facilities. By encouraging community members to donate blood, the aim was to replenish blood supplies and potentially save lives.

The theme of the program was to raise awareness about blood can save millions of lives, and young people are the hope and future of a safe blood supply in the world. Blood transfusion is crucial for health care systems, which contributes to rise in life expectancy and quality of life of people experiencing acute critical illness or chronic diseases. Nowadays health care providers manage serious hemorrhagic complications after surgery, delivery or major accidents, severe blood disorders, and oncologic conditions demanding blood transfusion, diagnosis, Treatment and follow-up among students and faculties.

While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many
