Declaration

Due to unforeseen circumstances, primarily the unexpected changes in program officers, we regrettably could not proceed with the planned NSS program within the anticipated timeline (2019-20). The transition period between the outgoing and incoming program officers caused a delay in the implementation process, hindering our ability to execute the NSS program as scheduled.

Furthermore, immediately following the assumption of duties by the new program officers, the unforeseen imposition of a lockdown, as a consequence of external events beyond our control, further disrupted our plans. The restrictions imposed during the lockdown period severely constrained our capacity to organize and execute the NSS program effectively, rendering it unfeasible to conduct the program during that time.

We assure all stakeholders and concerned parties that upon the lifting of the lockdown restrictions, we will promptly revisit and reschedule the NSS program, ensuring its successful implementation. Our commitment to fostering community engagement and social service through initiatives like the NSS program remains unwavering.

We apologize for any inconvenience caused by the postponement and express our gratitude for your understanding and continued support.
