Resolution of Research Sub-Committee meeting dated 01.10.2020:

1. In light of the ongoing challenges posed by the COVID-19 lockdown and its impact on teaching and learning, the Research committee emphasizes the urgent need for organizing a Faculty Development Programme on Learning Management System (LMS) and Open Educational Resources (OER) in November, 2020. This programme aims to enhance the pedagogical skills of faculty members by providing training on utilizing LMS effectively and incorporating OER to enrich teaching resources. The Research committee recognizes the importance of adapting to modern educational technologies and believes that such a programme will empower faculty members to deliver high-quality instruction in line with contemporary educational practices. The resolution entails the following actions:
 - a) The formation of an organizing committee from IQAC and science department of the college responsible for planning and executing the Faculty Development Programme. Dr. Pallav Jyoti Pal, Coordinator, IQAC and Dr. Shyamal Kr. Jash, HOD, Dept Chemistry are selected as the Director and Asst Director of the workshop.
 - b) Coordination with relevant departments and stakeholders to ensure the availability of resources and support for the programme.
 - c) Identification of qualified trainers or facilitators proficient in LMS and OER usage to conduct the training sessions.
 - d) Setting clear objectives and agenda for the programme to address the specific needs and interests of faculty members.
 - e) Communication of the programme details and schedule to all faculty members well in advance to facilitate their participation.
 - f) Evaluation and feedback mechanisms to assess the effectiveness of the programme and identify areas for improvement.
2. In response to the evolving educational landscape and the increasing reliance on online platforms for academic discourse, the committee resolves to encourage and facilitate the organization of more online national and international level workshops, seminars, and conferences by faculty members.
3. The Principal announces that this college has received the Sanction Orders for Science Departments of the college from DBT, Govt of India and Allocation of Funds is 40 lakh.
